

Angelicoussis Group | Internship Program 2023

Angelicoussis Group, one of the world's biggest private ship-owning groups is looking for an ambitious and motivated student or fresh graduate for a 6-months paid internship in the IT department.

Throughout this internship, you will have the opportunity to work in a dynamic working environment, familiarise yourself with cutting-edge technologies, and work with experienced people within the Maritime industry.

Submit your application [here](#) and feel free to contact Ms. Olga Skourti (Jr. HR Associate) for any further information you may need (mob: 6977755748).
